

ENGINEERED WOOD FLOOR Thickness 14 mm

One strip - Plank

parquet
for generations on

Top layer	4 mm
Board construction	Top Layer - OAK 4 mm Plywood 10 mm
Lenght	up to 1200 mm
Width	90 mm
Thckness	14 mm

7 coats of UV varnish.
Top Layer - OAK 4 mm
Plywood 10 mm

Joint	T&G
Bevel	YES 4 side
Finish	7 coats of UV transparent varnish or Oil
Packaging	Plastic foil + carton band

Density	Around 500 - 550 kg /m3
Fire resistance(1)	Dfl-s1
Formaldehyde content(1)	E1
Abrasion resistance (2) Valid only for floor with UV varnish	70 / 1100
Abrasion resistance (3) Valid only for floor with UV varnish	100
Antislip Valid only for floor with UV varnish	USF / 26
Thermal conductivity(1)	0,15 W/mK
Thermal conductivity(1)	0,09 m2 /mK
Installation	According SD CEN TS 15717

(1) according DIN EN 14342 (2) according ENV 13696
(3) according DIN68861 (4) according EN 12542
